

CHARLES LOUIS DAVIS DVM FOUNDATION  
INDIAN ASSOCIATION OF VETERINARY PATHOLOGY  
SATELLITE SEMINAR 2007

College of Veterinary Sciences, Tirupati  
Sri Venkateswara Veterinary University, Andhra Pradesh (India)

The Charles Louis Davis DVM Foundation will present a One-day Seminar on **'Laboratory Animal Pathology: Influences of Nature & Nurture on Pathology & Research Results'** on 1<sup>st</sup> October, 2007. This Satellite Seminar will be held within XXII Annual Convention of IAVP from 1 to 3 October 2007 (The National Meeting of Indian Association of Veterinary Pathology). Both the programs will be held at the same venue.

The person responsible for the seminar is Dr. V. K. Gupta, Department of Veterinary Pathology, College of Veterinary & Animal Sciences, HP Agricultural University, Palampur (H.P.) India. He is Director of Foundation's Independent Study Center at Palampur & its Officer in India. The annual convention along with Foundation Seminar is being organized by Dr Chi. Srilatha, Associate Professor & Univ. Head, Department of Veterinary Pathology, College of Veterinary Sciences, Tirupati A.P. (India)

**Satellite Seminar of the Foundation will be presented by Cory Brayton, DVM, Diplomate ACVP & ACLAM, Associate Professor, Molecular & Comparative Pathobiology, John Hopkins University, School of Medicine, Baltimore (USA) on October 1, 2007. Her primary interests are mouse pathology & phenotype besides pathology of other laboratory animals.**

The Foundation is a donative publicly supported charity of USA for the International Advancement of Education in Veterinary and Comparative Pathology. The Seminar will provide an excellent training opportunity to young pathologists, continuing education for established pathologists both in industry and academia and especially for pathologists preparing for the certification examination. Detailed program is given as under and is placed on IAVP website ([www.iavp.org](http://www.iavp.org)) as well as foundation's web site ([www.afip.org/CLDavis/index.html](http://www.afip.org/CLDavis/index.html))
