Assistant Professor

Faculties of Pathobiology and Toxicology

Texas Veterinary Medical Center

College of Veterinary Medicine

Texas A&M University

College Station, TX 77843-4467, USA

on

January 6, 2007 at 9 A.M.

Organized by:

Society for Toxicologic Pathology in India

**Venue: RD Nanjaya Memorial Hall, Veterinary College Campus,
Hebbal, Bangalore 560 024**

Distinguished Colleagues,

It gives us immense pleasure to invite you on behalf of the organizing committee to attend the second Technical Seminar on **“Clinical Pathology Approaches to detecting Liver toxicity in toxicology studies and Proteomics applications in liver toxicology for identification of biomarkers”** by **Dr. Shashi K. Ramaiah** to be held in the RD Nanjaya Memorial Hall, Veterinary College Campus, Hebbal, Bangalore – 560 024. The seminar will offer an excellent opportunity to the participants for interaction with this reputed and eminent Clinical Pathologist and to gather and exchange information and ideas on International trends in Toxicology and Pathology. All scientists are requested to take the message personally for a larger participation and maximal benefit.

Dr. Shashi K. Ramaiah serves as Continuing Education Chair of the Society of Toxicologic Pathology (STP) and is actively working towards collaboration between STP and STPI to run modular courses in toxicologic pathology in India.

REGISTRATION

Participation is open to all individuals interested in the field of Veterinary Pathology, Toxicology and other allied sciences.

Registration for the seminar is Free. Interested individuals should confirm their participation by a return mail to stpi.india@gmail.com

ACCOMMODATION

Limited accommodation will be available in the institute guest-house, and college hostel on first come/informed basis to the delegates. The rest of the delegates will be assisted in getting accommodation in hotels if they can let us know in advance.

Programme

Invocation- 9.00 AM

Welcome address – Dr. Geeta Nirody, Vice President, STPI

Lecture by Dr. Shashi Ramaiah –

“Clinical Pathology Approaches to detecting Liver toxicity in toxicology studies”

Tea

“Proteomics applications in liver toxicology for identification of biomarkers”

Discussion

Vote of thanks – Dr. Shekar Chelur, Secretary, STPI
